

## NOMINATION FORM

### **Southeast Climate Adaptation Science Center (SE CASC) Global Change Fellows Program Sponsored by NC State University**

To nominate a graduate student for the Southeast Climate Adaptation Science Center (SE CASC) Global Change Fellows program, please complete this form and **attach the following supporting documentation**:

1. A letter of nomination, prepared by a SE CASC Faculty Affiliate, describing the strength of the student's qualifications related to a) academic potential and level of curiosity for interdisciplinary work and b) how their research relates to the SE CASC [Mission](#) and [Science Priorities](#).
2. A copy of the nominee's full application to graduate school
3. A Statement of Interest by the nominee (see personal statement for prompt)

This nomination form and all supporting documentation should be combined into a single PDF file using the following nomenclature (*lastname\_firstname\_SECASC\_GCF\_2020.pdf*) and submitted and uploaded via [this Google form](#) by **February 7, 2021**. Direct any questions to Aranzazu Lascurain ([alascur@ncsu.edu](mailto:alascur@ncsu.edu)) or Derek Aday ([ddaday@ncsu.edu](mailto:ddaday@ncsu.edu)), SE CASC University Director.

#### Departmental/College Statement of Nomination

I hereby nominate \_\_\_\_\_ for the SE CASC Global Change Fellows Program.

**I understand and agree to the following fellowship conditions:**

- A. The Global Change Fellows Program provides one year of financial support in the form of a research assistantship that includes stipend (approximately \$24,975 - \$30,160 depending on college), tuition, and health insurance; any additional support will come from the student's advisor and/or graduate program. The department agrees to provide any additional funding that may be needed beyond the RA-ship amount. Funding for this fellowship is limited to one year. Advisors must demonstrate sufficient funding to allow Fellows to complete their graduate programs.
- B. Departments and research advisors are responsible for facilitating students' engagement with the SE CASC and ensuring the student's research is within the scope of the SE CASC mission. Students must maintain good academic standing throughout their term as a Global Change Fellow and **participate in all activities** outlined in the Announcement.
