

USET *Virtual* Climate Change Vulnerability Assessment/Adaptation Plan Writing Retreat

**JANUARY 25-27, 2021
EACH DAY AT 8:00 AM-4:00 PM CENTRAL**

This retreat will provide writing opportunities for Tribal Nations continuing to make progress on their adaptation plans, opportunities for feedback, peer editing and reflection, addressing gaps in supporting data and information, and identifying resources to help with implementation.

[Click Here to Register](#)

Tribal natural resource and other Tribal programmatic staff working on climate adaptation plans and/or vulnerability assessments. More specifically those who are nearing the completion of said plans are encouraged to attend.

For more information, please contact Casey Thornbrugh, USET Tribal Climate Science Liaison at cthornbrugh@usetinc.org or (615) 589-1629,
